We are happy to announce our new online shopping!

We now offer online shopping on our web site. The items include our new, locally authored books, calendars, and some of the Suzy Toronto items. We rotate items as we list only 20 items at a time. With the frequent turn-over of the used paperback books, listing those would be a full-time, on-going, ever-changing task. But you can always email and ask for used paperbacks and we'll be happy to send those out as well.

The shopping cart is set up to calculate the shipping and handling through USPS (media mail) and tax is calculated as it applies. You may use PayPal or credit cards for purchases. We receive your order, prepare it to ship, and send it out in 1-5 business days. It's easy to shop securely online with the Island Book Nook.
